ECIO 2019

AMSTERDAM • April 8 - 11

A very warm welcome from all of us at Kuoni Congress, your ECIO 2019 Amsterdam team! We have put together this brochure to give you an idea of the hotel options that we have found for you at ECIO 2019 in Amsterdam.

Visit the world-famous 17th century capital of Holland. Enjoy the historic buildings, beautiful museums and pleasant ambiance. Go for a boat tour on the canals, stroll through Vondelpark, and go shopping in the inner city. Amsterdam is a unique city!

Amsterdam is one of the greatest small cities in the world. From its canals to world-famous museums and historical sights, Amsterdam is one of the most beautiful cities in Europe. Also, for an alternative perspective of the city, consider taking a canal cruise.

Amsterdam is also a city of tolerance and diversity. It has all the advantages of a big city: rich culture, lively Amsterdam nightlife, international restaurants, good transport - but at the same time is quiet, and largely thanks to its extensive canals, has little road traffic. In this city your destination is never far away, but get a bike for an authentic local experience.

THIS IS AMSTERDAM

We offer great hotels, modern meeting facilities and a high level service. As the local expert, we are looking forward to welcoming you and making your meeting a success.
